# BMW CURRENT LISTING OF SYNTHETIC OILS (US Market)

Required maintenance work or services should be performed for your vehicle by your authorized BMW center.

BMW High Performance Synthetic Oil is recommended for scheduled engine oil changes.

BMW Genuine Oil SAE 5W-30 Synthetic Oil*
* Does not apply to M vehicles - see below for further information

BMW part number 07 51 0 017 866 – 12 x 1 qt case

BMW part number 07 510 038 678 – 24 x 1qt Enviropack

BMW part number 07 51 0 017 954 – 55 gallon drum

BMW recommends that you check your engine oil level whenever you add fuel to your vehicle.

If you need to add oil between oil changes and BMW High Performance Synthetic Oil is unavailable, visit your nearest authorized BMW Center. For information on checking your engine oil level refer to your vehicle's Owner's Manual.

The choice of the right SAE grade is based on the climatic conditions in the region in which you normally drive your BMW.

To best determine which SAE grade is best suited for your vehicle contact an authorized BMW center.
