BMW's monster M3

By MINESH BHAGALOO

Marbella, Spain

Form follows function. Quite a statement for the boys from BMW's M division to make when describing something as brutal as the new M3. Especially as after driving it you imagine the form to be Thor's sledgehammer, and the function, well, to just about annihilate everything in its path - as the mythological god of thunder did.

Continued on page 3

THOR'S HAMMER: The new V8-engined M3 laps the Nurburgring twenty seconds quicker than its predecessor. We attended the M3's world launch in Spain last week and that's Minesh behind the wheel.
