Brakes	
Front ventilated disc-diameter	14.2 inch
Rear ventilated disc-diameter	13.8 inch

1. BMW AG test results. BMW urges you to obey all posted speed laws and always wear safety belts.

2. Due to low profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damage. Performance tires not recommend for driving in ice and snow conditions.

3. EPA-estimated figures are for comarison only. Your actual mileage will vary, depending upon speed, driving habits, trip length and driving conditions; actual mileage may be lower.

Figures in [] reflect 7-speed M Double Clutch Transmission (MDCT) with Drivelogic

Owner Benefits

Owner Benefits

When it comes to cost of ownership, BMW owners are in an enviable position. Because when you buy a 2011 BMW, you'll pay absolutely nothing for the industry's most comprehensive suite of premium vehicle services, including maintenance, for the first 4 years or 50,000 miles, whichever occurs first.

While other vehicle owners may pay hundreds of dollars out of their pockets – in some cases, over a thousand dollars – during the first 4 years of ownership for typical maintenance repairs, BMW owners will not. No other company provides such comprehensive benefits at absolutely no cost.

All BMW owners with eligible vehicles enjoy the following no cost benefits:

- **New Vehicle Limited Warranty:** your warranty covers defects in materials or workmanship for the first four years or 50,000 miles, whichever comes first, so you can rest assured your BMW will perform as expected.
- **BMW Maintenance Program:** One of the most comprehensive maintenance programs in its class, covering all factory-recommended maintenance services during the New Vehicle/SAV Limited Warranty Coverage Period, as well as specific items that require replacement due to normal wear and tear - such as brake pads, brake discs and wiper blade inserts.
- **Unlimited-Mileage Roadside Assistance:** receive Roadside Assistance 24 hours a day, 365 days a year for the first four years of ownership, without any mileage limitation.

If you select the Premium Package or opt for the BMW Assist™ and Bluetooth® system, BMW Ultimate Service also includes a four-year, unlimited mileage subscription to the BMW Assist Safety Plan™, at no additional charge. Among the features is TeleService, a benefit exclusive to BMW, which allows your vehicle to contact your BMW center directly when it needs service or maintenance.

*Based on \$0 cost for the BMW Maintenance Program. Certain limitations and exclusions apply to this program; please refer to your Service and Warranty Information booklet for coverage, terms and conditions.

All new BMW vehicles come with the New Vehicle Limited Warranty and BMW Maintenance Program standard for the first 4 years or 50,000 miles, whichever occurs first. Roadside Assistance comes standard for the first 4 years. BMW Assist Safety Plan comes standard for the first 4 years on every MY 2007 and later 5 Series, 6 Series, and 7 Series vehicle, and is available as an option or with the Premium Package on all other models. TeleService is available on all 2007 and later models with BMW Assist except for the Z4 and X3.

**Maintenance cost for competitive vehicles for the first 4 years/50,000 miles was provided by Edmunds.com and is Edmunds.com's estimate of the average national maintenance cost for a representative style for each model for the 2007 model year as of 05-18-2007. Actual costs will vary. Please visit Edmunds.com to learn more>

Owner Benefits

Enjoy added safety, security and convenience with BMW Assist™ services.

With BMW Assist™, you have a direct connection to the BMW Assist Response Center, any time, day or night. If you're in an accident, need roadside assistance or have a customer service question, just push a button from within your vehicle to speak with a response specialist. If you're in a serious accident, crash sensors will trigger the system for you. And, if your car is stolen, you can access stolen vehicle recovery services by phone.

In addition, BMW Assist™ includes:

- **TeleService**, an exclusive BMW feature that allows your car to communicate its service needs directly to your preferred BMW Center.
- **Bluetooth® Hands-Free Calling**, which links a compatible Bluetooth® enabled mobile phone to your vehicle for hands-free calling. You can make and answer calls, and browse and select phonebook contacts using steering wheel controls, radio keys or voice commands.

Owner Benefits

Holds its value like it holds a corner.

Let's face it: A new car is a major investment. As with any investment, you want to make sure you're getting the best return possible. Mile for mile. Dollar for dollar. But when the average car loses much of its value in just the first three years, you need to take a hard look at a car's residual value in considering its overall cost. Fortunately, BMW has been recognized for its strong residual value by multiple major independent organizations, in fact:

Kelley Blue Book named the 2007 BMW 5 Series the winner of the Luxury Vehicle category in the Kelley Blue Book 2007 "Best Resale Value Awards" and the 2007 5 Series an "Overall Top 10" leader in projected resale value.*

This isn't the first time BMW received such recognition. Kelley Blue Book has awarded BMW over ten Best Resale Value awards since they were first established in 2003, and this is the second set of wins in the Luxury Vehicle and Overall Top

6/22/2010

10 categories in the past three years.

*For more information, go to Kelley Blue Book's kbb.com

Print Your BMW

Standard Features

Performance and efficiency
• 4.0-liter 32-valve 414-hp V-8 engine with M Double-VANOS "steplessly" variable valve timing
• 8 individual throttles, electronically controlled (drive-by-wire)
• Digital Motor Electronics (DME) with on-board diagnostics
• Oil coolant heat exchanger
• Distributorless electronic ignition system
• 3-way catalytic converter with heated oxygen sensor
• 6-speed manual transmission with additional oil cooler and heavy-duty dual-disc clutch

Handling, ride and braking
• Dynamic Stability Control (DSC)
• All Season Traction with Variable M Differential Lock
• Vehicle-speed-sensitive variable-assist power steering (M Servotronic)
• M suspension with twin-joint spring-strut front axle, subframe, front axle tie-rod and stiffening plate in aluminum, rear axle subframe in steel, track control arm and spring strut in aluminum and lightweight steel construction
• Gas-pressurized front struts and rear shock absorbers
• 4-wheel BMW M vacuum-assisted ventilated, cross-drilled compound disc brakes with floating brake rotors
• High-performance-tuned anti-lock braking system (ABS) with Dynamic Brake Control

Exterior and aerodynamics
• Double Spoke (Style 219M) Satin Chrome finish M light alloy wheels, 18 x 8.5 front, 18 x 9.5 rear; 245/40 front and 265/40 rear performance tires ¹
• Xenon Adaptive low- and high-beam headlights with auto-leveling and Cornering Lights function
• Aluminum hood with powerdome
• Flared front and rear fenders, including wheel arches; vent gills in front fenders with integrated indicator and M3 logo
• Front and rear spoiler (M3 Convertible does not have a rear spoiler)
• M rear apron with diffuser
• Flat-paneled underbody
• Shadowline trim
• M exterior side-view mirrors in body color with double bridge in black
• Heated side-view mirrors, windshield washer jets and door locks
• White turn-signal indicators
• M quad polished stainless steel exhaust tips

Interior seating and trim
• Anthracite and Black Cloth/Leather upholstery
• Anthracite headliner
• Titanium Shadow interior trim
• Power-adjustable front sport seats with 4-way lumbar support, manually adjustable thigh support and memory system for driver's seat and outside mirrors
• Front seatback storage nets
• Folding rear-seat headrests
• Adjustable front armrest
• Door sills with BMW M3 logo

Audio
• AM/FM stereo/CD audio system with Radio Data System (RDS), Auto-Store, MP3 capability and 3-channel FM diversity antenna system
• HD Radio™ with "multicast" FM station reception

Instrumentation and controls
• Engine Start/Stop button
• M-design instrument cluster with titanium-finish-ringed instrument dials and red needles
• Service Interval Indicator with miles-to-service display
• Check Control vehicle monitoring system
• Tachometer with variable warning zones and oil temperature display

On-board computer with detailed vehicle information, including travel range on remaining fuel, external temperature (including freezing temperature warning)
Tire Pressure Monitor

Comfort and convenience

Multi-function remote control
Automatic climate control includes micro-filter, automatic air recirculation, left/right temperature control, temperature- and volume-controlled rear outlets, windshield misting sensor, MAX A/C, heat at rest, and recall of individual user settings
Power front/rear windows with "one-touch" up/down operation (in M3 Coupe, rear windows are stationary and do not include up/down operation)
Rain-sensing windshield wipers with Automatic headlight control
Automatic-dimming inside rear-view mirror
Automatic tilt-down of passenger's side-view mirror when vehicle is shifted into reverse gear
3-spoke, leather-wrapped multi-function M sport steering wheel with audio and (accessory) phone controls, M color stitching and tilt/telescopic adjustment (M Drive button included with multi-function controls with Technology Package option)
BMW Ambiance Lighting front and rear
Courtesy lights include fade in/fade out, actuation from remote, automatic switch-on when engine is turned off, separately controlled left/right front and rear reading lights, front footwell lighting, and illuminated vanity mirrors
Cruise Control with column-mounted stalk
Console valet and cupholders
Vehicle & Key Memory
Electric interior trunk release
Fully finished trunk

Safety and security

Driver's and passenger's front airbag supplemental restraint system (SRS) with advanced technology: dual-threshold, dual-stage deployment; and front-passenger seat sensors designed to prevent unnecessary airbag deployment
Front-seat-mounted side-impact airbags
Head Protection System (HPS), front and rear
BMW's Advanced Safety System for integrated deployment of passive and active safety features
Interlocking door anchoring system to help protect against door intrusion in side impacts
Bumper system with aluminum impact absorbers at the front, steel impact absorbers at the rear, and front-compressible elements
Adaptive Brake Lights
Automatic front safety-belt pretensioners
Child-seat automatic safety-belt locking device in rear seats
Central locking system (leaves gas filler door unlocked) and double-lock feature
Coded Driveaway Protection (prevents engine start when your key, with constantly changing electronic code, is not used)
Crash sensor that activates Battery Safety Terminal disconnect of alternator, fuel pump and starter from battery; automatically unlocks doors, and turns on hazard and interior lights
M Mobility System (includes lifetime BMW Roadside Assistance for tire assistance)

BMW Services

BMW Ultimate Service™ (for complete details on BMW Ultimate Service, visit bmwusa.com/ultimateservice)
--

1 Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages. Performance tires are not recommended for driving in snow and ice. Please note: M3 models are not equipped with a spare tire and wheel. They include M Mobility System, which offers lifetime BMW Roadside Assistance for tire assistance.
