Awaiting Transport
Your new BMW has been built and is being readied for transport to one of our processing centers. U.S. bound vehicles will be loaded onto a vessel for their voyage to the States. For those who are picking up their vehicles in Munich through the European Delivery program, the vehicles will be transported to the Delivery Center at Freimann.

● The current status of your 2008 Alpine White M3 Coupe is - Awaiting Transport.

Please contact your BMW center for complete details.
